STEP BY STEP:

1. Cut out felt according to the pattern. [\(Download the free pattern\)](#) Cut two of each pattern piece.
2. Sew along the top edge of the turkey head, leaving the bottom open.
3. Turn the head right side out.
4. Glue the black circle onto the white circle to make the eye.
5. Glue the eye to the head.
6. Glue the beak pieces to the side of the head and then glue the points together.
7. Glue the wattles to each side of the head.
8. When dry, stuff the head from the neck up.
9. Place completed head on the pineapple.
